

Innovative Digital Solutions to Enhance Your Practice

Simple Setup

Makes it easier to get your online store up and running.

Patient Compliance

Engage with your patients like never before and monitor compliance to supplement your protocols.

Personalised Store

Customise your online store to best represent your practice.

Easy-to-use platform

Provides the tools to manage and promote your store.

Effective Inventory Management

Improve cash flow by stocking less or no inventory in your office.

Marketing Tools

Promote your online store with our easy-to-use promotional tools.

Automated

Your PayFast account will automatically be updated with distributions to you on a daily basis.

Improving the Health of Your Patients and Practice has Never Been Easier.

Metagenics Online E Commerce is a great way to grow your practice and improve patient compliance.

Your patients can purchase Metagenics products online 24/7 directly from you through your personalised online store.

Practitioner Tools are Designed to Enhance Patient Compliance

Manage your patient orders and access tools to keep your patients on the protocols you recommend.

Recommendations

Send product recommendations to your patients, allowing them to easily check out from the comfort of their own home.

Product bundles

Create your own groups of products that match your protocols to offer greater convenience and increase patient compliance.

Emails to increase patient engagement

Educate patients on certain products or inform them of certain promotions.

Office Orders

Order products for sale in your office with ease. Keep track of all your orders and best sellers.

Our dedicated E Commerce Specialists are available Mon - Fri (8am - 4pm) to help you through the process.

Activation Support

We can walk you through the process for activating E Commerce, setting up your PayFast account, and accessing other technical support.

Onboarding Assistance

We provide support for setting up your practitioner code, customising your online store, and activating other E Commerce features.

Marketing Tools

We offer free assistance for promoting your online store.

Patient Ordering is Fast, Simple, and Convenient

The following features have been designed to offer your patients greater convenience when purchasing nutritional supplements directly from you:

Supplement Finder

Makes purchasing products easier than ever with options to select products based on specific dietary preferences or requirements.

Automatic Refill Orders

Never run out of products again when placing orders on a recurring basis.

Checkout Process

Simple and streamlined to offer further convenience.

Additional Patient Benefits

As an added value to your online store, your patients may take advantage of the following incentives:

Practitioners can offer up to 10% off Automatic Refill Orders for patients.

Free delivery on all qualifying orders
