

OmegaGenics® Neuro 1000

Helps support cardiovascular,
cognitive, & eye health

OmegaGenics Neuro 1000 features a concentrated, purified source of omega-3 fatty acids. Each softgel provides a total of 750 mg DHA and 250 mg EPA.

Why OmegaGenics Neuro 1000?

DHA & cognition

Higher intakes of omega-3 fatty acids, particularly DHA, have been shown to support maintenance of healthy cognitive function. Studies have shown that higher EPA and DHA status were positively associated with indices of cognitive performance and scores on tests of visual memory, executive function, and abstract thinking, with DHA showing a stronger association

DHA & brain health

Omega-3 fatty acids, particularly DHA, have been shown to support the maintenance of healthy brain and gray matter volume and brain structure. In several large cohort studies, including the Framingham Heart Study, lower omega-3 status was associated with lower total brain, hippocampal, and gray matter volume and higher white matter hyperintensity, with DHA showing the greatest effect

Form: 60 Softgels
Serving Size: 1 Softgel

| Ingredient: | Amount Per Serving |
|--|--------------------|
| Calories | 15 |
| Total Fat | 1.5 g |
| Polyunsaturated Fat | 1 g |
| Marine Lipid Concentrate | 1.3 g |
| DHA (Docosahexaenoic acid triglyceride) | 750 mg |
| EPA (Eicosapentaenoic acid triglyceride) | 250 mg |

Other Ingredients: Marine lipid concentrate (one or more of: anchovy, calamari, sardine, and mackerel oil), softgel shell (gelatin, glycerin, water), contains 2 percent or less of natural lemon flavours, rosemary extract, and mixed tocopherols and ascorbyl palmitate (antioxidants).

Contains: Fish (anchovy, sardine, and mackerel).

Directions: This product is non-GMO and gluten-free.

Warning: This product contains calamari, a mollusk shellfish. Please note that a subset of individuals with crustacean allergies may also react to mollusks.

Caution: Consult your healthcare practitioner if pregnant, nursing, or taking other nutritional supplements or medications. Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.
