

PhytoGanix®

Designed to Support Intestinal Health and Immune Function

Every day, 76% of adults do not meet the recommended intake of fruit, while 87% fall below that for veggies. But eating your fruits and veggies just got easier!

A whole lot more than just superfoods!

PhytoGanix® features 20+ whole foods in each serving, including: organic fruits, organic vegetables, organic flax seed, organic chia, organic quinoa sprouts, herbs, plant enzymes, prebiotics, and probiotics

Why PhytoGanix®?

- Provides vitamin C to support healthy immune function and provide antioxidant protection
- Research suggests that green tea and turmeric may benefit the body's response to oxidative stress
- Milk thistle seed helps support healthy liver function
