

Vasotensin

Natural blood pressure support

Vasotensin provides peptides from bonito fish to support healthy blood pressure levels already in the normal range. Bonito peptides have been shown to impact the formation of angiotensin II through their interaction with angiotensin converting enzyme. This formula is designed to provide a supportive dose in just 2 tablets twice daily.

Why Vasotensin?

- Formula is designed to be fast acting
- May be used as a complement to other heart programs, such as prescription drugs, medical foods and dietary supplements
- Clinically effective dose is just 2 tablets twice daily.
- Assayed to assure product viability and the presence of LKPNM—a peptide found to produce eight-fold higher activity when hydrolyzed by angiotensin converting enzyme as occurs in the body.
- No rebound (reverse) effect observed in clinical trials when supplementation is discontinued
- Excellent safety profile—no serious adverse effects associated with bonito peptides have been reported

Form: 60 Softgels
Serving Size: 2 Softgels

Ingredient:	Amount Per Serving
Amount per day 2 Tablets	
Calories	0
Protein	<1 g
Fish Protein Powder	750 mg
Amount per day 4 Tablets	
Calories	10
Protein	2g
Fish Protein Powder	1500 mg

Other Ingredients: Microcrystalline cellulose, fish protein powder [fish (skipjack tuna, mackerel)], cellulose, stearic acid (vegetable), silica, croscarmellose sodium, and magnesium stearate (vegetable). Contains: Fish (skipjack tuna and mackerel).

Directions: Take two tablets two times daily with meals or as directed by your healthcare practitioner.

This product is non-GMO and gluten free.

Caution: If pregnant or nursing, taking other nutritional supplements, or taking medication, consult your healthcare practitioner before use. Keep out of the reach of children.
